The Manamaker Stores

Numerous letters are coming to us asking if the firm of John Wanamaker belongs to the Merchants' and Manufacturers' Board of Trade. Therefore, to save all interested the trouble of writing us upon the subject, we desire to state that we have never, as a firm nor as individuals, had anything to do, directly or indirectly, with that organization.

Hats and Costumes

THE Wanamaker Millinery is hand in hand with the Wanamaker costumes. They take their stand side by side, both in natural association and in practical supremacy.

Supremacy is a hard word to use honestly. It means even more to us than it does to you. We are justly proud that your own opinion, as expressed hundreds of times in a day, coincides with ours. Our opinion, without yours, is worthless, anyway. You are the judges, and you say "Best."

For much of this, we acknowledge our debt to Paris. We keep in very close touch with her. Our Paris connection is not merely an office or a correspondent,-it is an organization, and a part of ourselves;-alert, expert, energetic.

You see the result in these hats, especially. The Paris Costumes will have a story to themselves soon.

Dress Fabrics

These are very important items if you are interested at all in Black Dress Goods. They speak of economies very forcefully.

First-Here is a list of some of the richest black fabrics that are known to the trade, at prices that are ordinarily associated with ordinary stuffs. The reason in this case is that the importer was a little late with his shipments, and at this time a few days' delay is a matter of serious importance. How serious, you may judge from this: -

PARIS BLACK NOVELTY DRESS STUFFS
Silk-and-wool Escurial Lace Grenadine, \$2.50 yd.; \$4 quality. Silk Embroidered Polks DotVolle, \$1.75 yd.; \$2.50 quality.

Bayadere Cord Silk and Wool Gauze Crepon, \$1.50
yd.; \$3 quality.

Another small lot of the Black All-Silk Plain Grenadine, 35 in. wide, at 25c. a yard; the 45c. quality.

Second-Black Drap d'Etes. Weights suited to Spring tailor-made gowns, qualities suited to the very finest gowning of that character. Goods were made and dyed in France, by a man who is known through all the world for his "smooth" weaving and rich blacks.

Third-Black Silk Grenadines. Only a thousand yards of them, -a tale of an hour. It will be necessary to say nothing more than this,they are 45c. goods, to be sold at 25c. a yard.

Fourth-Grenadine Cheviots for 35c. a yard that are real dollar-ayard goods. First told about on Monday, and if it hadn't been for Tuesday's weather, there would be no sequel to the story. As it happens, however, there is a fair assortment left. In black and also in these colors:-

Mode, heliotrope, navy blue, reseda, light brown, dark brown, cream and three shades of green.

Women's Gloves The profor Easter mand for the new "pastel" shades in gloves is met by these new Royale Suedes. We have the season's tint-fancies in the Princess May as well.

The Royale glove costs \$1.50 a pair. It is a Wanamaker specialty. The Princess May costs \$1, as you know, for it is famous at the price.

"Admiral" A new and effective addition to tailor-Revers made suits. Ask to see them. You'll surely like them. Several styles, \$3.50 to \$5. Second floor, Broadway.

When you get these plants home, plant them. Bushes Don't put them in the cellar to wait for warmer weather. They were grown in Holland and are fully hardened to chillier days

and nights than any we will get now. Strong and vigorous plants that take root sturdily and blossom as if they knew that that was their sole business in life. We are selling thousands and thousands of them, at

15c. each, 2 for 25c., \$1.25 a dozen.
